Sir,

Re the levy of Toll in Banavar Minor Municipality

I write to state that with a view to increase the income of the Municipality the Minor Municipal Council of Banavar passed a resolution at their meeting held on 10-3-1948 to establish toll-gates within the Municipal limits and to levy toll on certain items Accordingly objections were called for and no objection having been received, the Municipal Council have finally resolved at their meeting held on 16-6-1948 to levy toll as already proposed The connected records are enclosed for favour of perusal It is proposed to levy toll at 0-3-0 for each laden cart and at 0-2-0 for each unladen cart The maximum rate of toll payable for such carts as prescribed in Schedule V of the taxation rules is 0-2-0 and 0-1-0 respectively and the rates of toll proposed to be levied on the above two items exceed the maximum rates

In their resolution dated 10-3-48 the Municipal Council have proposed to establish 4 toll gates and to entertain 4 mutsaddies on a pay of R. 18/- each p m plus Dearness allowance

The Municipal Council have already established 4 octroi kattes to prevent smuggling of octroiable goods and entertained 4 gate keepers on a pay of Rs 25/- each p m A reference has been made to Government separately in this office No Ml C 504/48-49 dated 5-10-1948 requesting sanction, therefor As such the appointment of Toll mutsaddies in addition may not be necessary for the present and this question may be taken up later after knowing whether the toll gates work at profit and admit the entertainment of additional staff Further the President has not pointed out the source to meet the cost of this additional staff

There is a toll gate in Arsikere Municipality about 9 miles away from Banavar and this does not in any way preclude the latter to levy toll on carts etc , entering the Town and such carts will not have paid toll at Arsikere as they are considered to be through-traffic Further the toll has to be collected on carts coming into the Town on other sides i e from Huliyar, Belur, Sakrepatna and Shimoga

A copy of the rules published by the Municipality, the sketch showing the location of the Toll gates and the connected records are enclosed I request that sanction of Government may kindly be obtained to the levy of toll at the maximum rates if the Government considers that increased rates cannot be permitted as proposed by the Municipal Council

Yours faithfully,

Deputy Commissioner,
Hassan District
